(d) It may please be noted that purchasing/acquiring rubber without having a valid licence issued by the Board is an offence punishable under the Rubber Act in which case both the supplier and buyer would invite penal action. The licence will be issued with prospective effect only after satisfying all formalities as demanded by the Board. So please ensure that licence is issued before expiry of validity of the present licence. Belated filing of application or incomplete application is likely to delay the issue of licence, for which the Board will in no way be held responsible. To avoid such unpleasant situations, applicant shall ensure that all statutory returns /reports and outstanding dues with interest, if any, are cleared.

Application should be submitted online through the Board's website www.rbegp.in and then send a duly signed hard copy of the same to the Dy. Director (ED) in the following address on or before 30th November (applicable in the case of existing licensees), as issue of all licences through online is mandatory.
